

News from the Millersburg R/C Modelers

Twelve members were in attendance at the January 19, 2008 meeting of the Millersburg R/C Modelers.

Gene Stutsman gave the treasures report. for Jim Miller. Jim reports \$350 paid out in December: Field rent of \$250, Gift certificate for the landowner of \$50, and \$50 for the fall/ final porta john payment of 07. \$270 in dues was deposited leaving the checking account at \$935.74 and the savings at \$402.82. \$155.00 in dues remains to be deposited.

Roger and Dhina brought their report on the proposed events from the Nappanee, Bremen, and Elkhart Clubs. We decided to set our schedule as follows:

- June 14 – Elkhart Wings and Wheels, static display, club promotion, and buddy box opportunities
- June 21 – 2nd Annual Rock, Skip, & Float Fun Fly
- July 12 – Intraural Fun Fly
- August 16 – Invitational Fun Fly
- August 23 – Invitational Rain Date

Cliff will host the Float Fun Fly again with Chuck's help and offered the opportunity for a second float fly any time other than June 28 or July 20, if we would like to work one in later in the year.

Mike Miller, Gene Stutsman, Carson Martin, Chuck Browning will be our intro pilot instructors for 2008. Marlin Miller may be included in that group if he renews before March 1.

Cliff reported that the cost of 6x6 posts and a metal roof for a 16x20 shelter would be approximately \$600. Gene reported receiving a concern from a member of the possibility that we could loose our lease and movability of a structure would need to be incorporated into the design. More discussion will follow in the next two meetings as we work on our final plans in this area.

Cliff reported that no work is necessary on the mower in preparation for the 2008 season. Everyone be ready to pick a couple of weeks to help with the mowing schedule in 2008.

We discussed the possibility of putting up a park flyer for a drawing for everyone joining the club at the Elkhart event. A possible source for donation or special pricing might be Maple City Hobbies. Currently all but 3 of last years members have renewed their membership for 2008 and we have 2 new members which brings us to 28 current 2008 members.

Next meeting will be February 16th.
