

Minutes-----Meeting Oct. 17, 2009

Our October meeting was called to order by Secretary Wayne C. Johnson.

Jim Miller gave us a Budget Report that was current prior to the meeting. Treasury balance is \$2667.00 including remaining TAG funds.

We also have a Savings account balance of \$149.63. Jim stated that he will combine the checking, savings and TAG monies into one account and monitor the balance of the TAG funds until they are completely used for promotion of club membership and advertising.

There were five members present and some dues were collected.

Jim reported that the end of season service will be done on the Porta-toilet. Wayne drained the water reservoir.

Mowing help is needed to complete the month of October.

Many thanks to Cliff for his many efforts to maintain our field and facility. It is important that we step forward and help Cliff so that he does not get "stuck" with all the field maintenance.

Election of Officers in November. Nominations are to retain the present Officers for another year.

President- Gene Stutsman

V/P --Art Eby

Secretary--Wayne Johnson

Treasurer--Jim Miller

Safety Officer--Billie Felder and Bob Wellington

Cliff graciously accepted the appointment of Field Marshall for another year.

Tractor service: Cliff stated that the reel mower blades will need adjustment and the tractors will be serviced.

We recognized Roger and Chuck who are both experiencing health problems and pray for their recovery.

A discussion on the possibility of getting Club T-Shirts. Those present were in favor of good quality Tees with pockets, tagless and screen printed with a Club logo. Art; we need to see the Logo on the hats that you have. We will discuss this at future meetings and hope that we will have enough interest to continue with the shirts. They will be good advertising for the club!

We need membership especially members that FLY. Jim noted that there used to be several guys flying on Saturdays and also on Wednesday evenings. It would be great to get this tradition alive and active again!

Club Dues are due before Dec. 31st.

Only \$55.00 if paid by the end of the year!

AMA dues are also due. Pay for two years and get a discount.

I noted that our Website is updated on a regular basis now. The information that is available is our Club Meeting dates and other Club events plus links to other websites such as AMA. I will be experimenting with adding more to the Site as I gain more knowledge.

Our website is WWW.MILLERSBURG-RC-MODELERS.ORG.

There is also a website for our AMA District VI Club Web Pages that lists all the clubs in our area and it is easy to click and link to the individual clubs for info. . Search the Web for AMA District VI for their complete address. It is a very lengthy address. There is also a list of links to our AMA Officers and V/P's.

Next Meeting---Nov. 21st-----Be There!

Minutes submitted by Secretary, Wayne C. Johnson

HEY!---Pot O' Gold Show is Nov. 14th---Be there early for all those good deals.
Stay for all those good conversations with your flying buddies!

On a Sad Note; Roger Hoffman lost his courageous battle with cancer on Wed. Nov. 4th.
God Bless him in his Journey! We will miss you Rog.
